# Sustainability Survey

The Board of Education is seeking to develop a Sustainability Policy and is looking for feedback from students, staff, and parents on what to consider in this work.

The [Sustainability Public Engagement page and survey](#) is attached here for you.

[Home](#) / [Sustainability in SD8](#) / Sustainability Survey

## Sustainability Survey

Welcome. This survey is the first step in SD8's engagement process to develop a sustainability policy. The survey should take about five minutes to complete.

Your individual responses are confidential. Information from this survey will only be shared as an overall summary of input.
