Student Learning Survey for Grades 4, 7, 10 and 12

✦ Last updated on January 19, 2024

Help us plan for the future – tell us about your education experience. Students in Grades 4, 7, 10 and 12, their parents and all staff in B.C. public schools are invited to participate in an annual online satisfaction survey about their school experience.

The survey takes about 30 minutes to complete. If your school district or school has added questions, it may take longer.

Student and staff surveys are available in English and French. Parent surveys are available in 18 additional languages.
