Student Council Craft club -

CRAFT CLUB PROPOSAL

This year, Student Council has set aside 2 days a week for Craft Club. This is an alternative activity to outside play time during the noon hour. This is offered to any interested K-2 students on Tuesdays at lunch, and for students in Grades 3-6 on Fridays. Typically, we have a couple of different craft activities that students are able to do. We have had quite good turnout at our Craft Club days – usually between 15-20 students attend each day.

We would like some supplies to help support Craft Club. The cardstock would be used to print off templates for crafts, as regular paper is not thick enough for many of the activities we have planned to do, and many of our markers are starting to run out from lots of use.

We hope that you will consider our proposal.

Sincerely,

South Nelson Student Council
